SKILLS

Python, HTML, CSS, React/React Native, MySQL, PHP, Javascript, Node.js

---

EDUCATION

St. Cloud State University   *St. Cloud, MN*

*Software Engineering, Bachelor of Science, **3.63 GPA***   *Jan. 2023 – May 2025*

Anoka-Ramsey Community College   *Cambridge, MN*

*Computer Science Transfer Pathway, Associate of Science, **3.72 GPA***   *Aug. 2021 – May 2023*

PROJECT EXPERIENCE

SE250 - Intro to Software Engineering   Cambridge, MN

Pizza Ordering Website   *Jan. 2023 – May. 2023*

- Developed a visually appealing user interface using **HTML** and **CSS** to enhance user interaction and engagement.
- Implemented a backend system utilizing **PHP** and **MySQL** to efficiently manage customer orders and securely store customer survey responses.
- Contributed as a proactive team member within a three-student project group, facilitating smooth project delivery through regular documentation, meetings, and clear communication.
- Tracked and documented project changes using **Git** and **GitHub**, ensuring transparent version control and seamless collaboration among team members.
- Studied **Scrum/Agile** methodologies
- Studied **Software Development Life Cycle**

SE350 - Software Engineering and Human-Computer Interaction   Cambridge, MN

Social Media Application   *Jan. 2023 – May 2023*

- Implemented designs and functionality using common front-end technologies, such as **Javascript**, **React Native**, **HTML**, and **CSS**.
- Proficiently integrated APIs, including Google OAuth 2.0, for secure user authentication and authorization.
- Implemented **PHP** scripts to securely store application variables in a **MySQL** database, ensuring reliable data persistence and retrieval.
- Created a **VPS** using Google Cloud Compute and deployed the application on the server.
- Collaborated effectively as part of a two-student team, ensuring smooth project progress through daily meetings, comprehensive documentation on **GitHub**, and clear allocation of specific responsibilities.

HONORS & AWARDS

- Workforce Development Scholarship, 1 of 60 students selected in MN   Feb. 2023
- SCSU Red & Black Transfer Scholarship   Sep. 2023
- Honors Graduation, GPA greater than 3.5   May 2021
